

Portable Oil Caddy

Model GOC

- With the versatile Giles Portable Oil Caddy you can safely remove old shortening.
- Holds up to two fryers (80 lbs.) of shortening.
- The Portable Oil Caddy will pump or extract new and used shortening. To reverse shortening flow, simply reverse the direction of the crank handle.
- The portable nature of the Giles Portable Oil Caddy gives it flexibility and efficiency, which saves you time and money. It's a perfect space-saver.
- Equipped with a Sight Glass to provide for easy viewing of shortening level. This prevents overfilling and spillage.

Standard Features

- Stainless Steel Construction
- Completely portable
- 8 x 1.75" wheels
- Washable storage tank
- 5 ft. long wand hose assembly
