

Holding Cabinet

Model RT-5-HC

A one-of-a-kind, self-serving, holding cabinet is ideal for holding rotisserie chicken and various other products in an attractive display.

The remarkable **Giles Holding Cabinet** is designed to hold the RT-5 Giles Rotisserie. The combination of the two units makes a beautiful display of mouthwatering product being cooked and served in front of the customer.

Only 34 3/8" wide, the **Giles Holding Cabinet** is designed to fit in limited space. The unit is equipped with self-serve shelves that allows the customer to help themselves while deli staff handle other duties. This warmer displays the product in full view of your customer, while allowing for flexibility in serving.

RT-5-HC
Stainless Skirt

Model RT-5-HC (Rotisserie sold separately)

Capacity

27 whole birds (2 3/4 lbs /1 kg)

Standard Features

Model GHC-5

Self-Serve Shelves

The self-serve shelves allow the deli staff to load the rotisserie products on a shelf so the customer may lift a door and choose the product they wish to purchase. Each shelf has a width of 26 1/8", so each packaged item is maintained in an attractive, orderly display.
