

# Portable Landing Table

## Model LT

With the versatile **Giles Portable Landing Table**, you have all the extra room you need!

The **Giles LT** is a versatile working table that provides extra and easy workspace. The 16" x 26" sheet pan, with an opened front allows for easy loading and unloading. The new **LT** also has a standard removable center shelf.

The **Giles Landing Table** also offers optional side racks that act as storage racks. These racks help keep supplies and pans within arm's reach. Durable casters with locks, allow for ease in mobility as well as a safe, stationary working station.

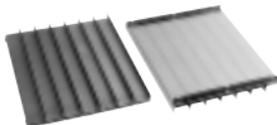

Easy lift-off storage racks and complete stainless steel construction make clean-up easy.

Model LT, Part #79592, without side racks

### Design Features

The **Giles Portable Landing Table (Model LT)** comes with one removable sheet pan and one cooling rack. It is also available with the **Giles Counter Top (Model LTC)**. This countertop comes with the Landing Table or can be sold separately. The **LT** also offers additional side racks, which add extra storage space that makes the **LT** a must in any foodservice operation.
